NOW, THEREFORE, in consideration of the mutual promises herein, PVWC and PROFESSIONAL agree that the terms and conditions of this AGREEMENT are the following:

1. PROFESSIONAL shall provide the PROFESSIONAL SERVICES authorized by PVWC and required for the PROJECT. PROFESSIONAL'S obligations under this AGREEMENT are solely for the benefit of PVWC and no other party is intended to benefit or have rights hereunder.
2. PROFESSIONAL shall perform the PROFESSIONAL SERVICES as defined under this AGREEMENT at a level customary for competent and prudent professional service providers, all as applicable, performing such services at the time and place where the services are provided ("STANDARD OF CARE"). These services will be provided by professional service providers in the appropriate disciplines, and by other professionals and individuals skilled in other technical disciplines, as appropriate. Further, PROFESSIONAL shall correct and re-perform any services not conforming to the required STANDARD OF CARE without additional compensation and cost to PVWC, (including, but not limited to pending written or oral testimony, reports, etc., which might occur from activities resulting from the performance of this AGREEMENT which were caused by PROFESSIONAL'S performance). When the billing amount for actual work performed and costs incurred during the period covered by the invoice is less than \$1,000 the PROFESSIONAL shall add the service and costs to the next billing cycle. To the extent items appearing on invoices presented by PROFESSIONAL are not contested, PVWC will remit payment of the invoice as soon as it can reasonably process same in the normal course of business and barring any failure of systems related thereto or unusual staffing shortages. If at any time it appears to PROFESSIONAL that the proposed scope of services to be performed on the different aspects of any PROJECT will exceed that which was authorized by PVWC, PROFESSIONAL shall clearly indicate same in its continuing written reports. The PROJECT shall be invoiced separately. Each invoice shall include a breakdown of hours expended along with the names of individual expending said hours, along with a breakdown of charges from subcontractors where applicable and out-of-pocket expenses chargeable to the PROJECT. Each invoice shall include a summary sheet including total amount billed for the time period covered by the invoice and the time period covered, total amount billed to date, total not-to-exceed dollar amount for cost of services (said amounts as set forth or defined in Paragraph 3 herein), and balance remaining.

--------	--	-----

Requires valid FIN code.

Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.
