## **Passaic Valley Water Commission repairs water main, boil water advisory still in effect**

---

FOR IMMEDIATE RELEASE

(Passaic County, N.J. – June 21, 2024) – Passaic Valley Water Commission (PVWC) has repaired the water main break that led to the boil water advisory in South Paterson and parts of Clifton. The advisory remains in effect – PVWC collected water samples after the repairs were made and the results will be processed and sent to the New Jersey Department of Environmental Protection (NJDEP) for approval to lift the advisory.

The advisory is a precautionary measure to ensure the health and safety of our community. These are the impacted areas:

- Clifton/Paterson: Lakeview Ave from Maryland Ave to W 3<sup>rd</sup> St
- Clifton/Paterson: Marshall Street / Kuller Road
- Clifton: Route 46 (Piaget Ave)
- Paterson: 21<sup>st</sup> Ave going east to E 26<sup>th</sup> St

PVWC will keep its valued customers updated accordingly. We apologize for any inconvenience this may cause and appreciate your cooperation and understanding as we work safely and diligently to lift the advisory.
