EXIT 6 RAMP OFF ROUTE 21 NORTH IN BELLEVILLE WILL BE CLOSED WHILE PASSAIC VALLEY WATER COMMISSION REPAIRS LEAK

FOR IMMEDIATE RELEASE

(Belleville, N.J. – May 16, 2023) Passaic Valley Water Commission (PVWC) has made significant progress in repairing a leak on the exit 6 ramp, off route 21 North, in Belleville. The ramp has been closed since May 12th, with repairs estimated to be done next week. In the meantime, commuters are encouraged to use an alternate route of travel. PVWC's engineering team worked with state and local authorities to finalize a plan to address this issue safely and diligently. We will notify everyone when repairs are complete. Thank you for your patience.
